**Program Cost:  
\$1,840 USD**

(Includes housing for 10 weeks,  
4-week TESOL course,  
6-week Arabic course,  
6-week teaching internship)

## 10-Week Program Outline:

- ◆ **Airport pickup** – We will arrange a free group pick up two days before the beginning of the course. If you are not able to catch this free pick up, we will be glad to arrange a special trip for you for \$60.
- ◆ **TESOL Course** – TEFL International's 4-week TESOL certification course
- ◆ **Accommodation** – Accommodation will consist of a private bedroom located in a shared, 3-bedroom apartment. Each apartment will have a furnished sitting room, a bathroom with hot water and a kitchen equipped with a refrigerator, a cooker and cooking utensils. All apartments are clean, comfortable and adequately furnished.
- ◆ **Arabic Language Lessons** – Egyptian Arabic is the most widely used and most understood accent throughout the Arab World.

A basic part of our course is dedicated to activities aimed at exploring the Egyptian culture and practicing Arabic in authentic situations. In a typical week, classes are taken four days and one day is dedicated for cultural immersion activities. Your teachers will accompany you in these learning situations in the streets, a local café or in a typical Egyptian home.

- ◆ **Teaching Internship Placement** – The teaching hours will be either in TEFL International's EFL classes or in a local school in Alexandria (transportation is provided). During this time you will be working closely with TEFL International's teacher trainers in terms of lesson planning and feedback to assist you in getting real life teaching experience.

By the end of the internship period, the intern will receive a Certificate of the Arabic course, and a letter of reference from TEFL International Egypt stating the job(s) he/she has performed.
