

Kaplan Aspect New York - East Village

New York City offers a wealth of opportunities to its residents and visitors. With more than 80 world-class museums, 150 on and off-Broadway theatres, 30 concert halls and countless shops, restaurants and bars, it's no wonder New York is one of the world's most popular study-travel destinations. Whatever you like to do, you'll be amazed by the variety of activities you'll find in New York City.

Our East Village School is a wonderful, 2-storey facility located in the heart of Manhattan's hip East Village. Just a block or two north of the Bowery, the former home of NYC's famed CBGB's rock club, we are minutes away from many of New York's most interesting sites: The Public Theater, located in the former Astor Library – the Cooper Union Great Hall, the site of many historic speeches and addresses– and St. Mark's Place, the place to go for food, music, and a pair of cool shades! What's more, we're less than 5 minutes from Stern Business school and NYU main campus in addition to major subway lines that can take you to your accommodation, and every place in the city you'll want to visit.

Transfer Information

Kaplan Aspect transfers

Kaplan Aspect can arrange a comfortable and stress-free transfer from any of the three area airports to anywhere in the city you'll be staying - whether you've chosen Kaplan Aspect housing or not.

Most students choose to fly in to John F. Kennedy International airport (JFK), but we will also arrange transfers from Fiorello La Guardia Airport (LGA) and Newark International Airport (EWR). Your driver will greet you outside of the baggage claim area in the airport holding a sign with Kaplan Aspect's name, your name and your confirmation number. All of the details of your transfer will be confirmed and your confirmation number will be provided to you after you've provided us with your flight details. We can also arrange a transfer back to the airport when you have to return home.

Independent Transfers

If you choose not to use the Kaplan Aspect transfer service, the famous New York "Yellow Taxis" are always available. In the airport, you can simply follow the signs pointing you in the direction of "Ground Transportation" to an outdoor waiting area where you'll wait in line for the next available car. The cost for a taxi from JFK is a flat fee to anywhere in New York City, so don't be alarmed if the driver doesn't turn on the meter. From La Guardia and Newark airports, however, the driver should use the meter.

A shuttle and Bus service is also available at each airport and specific information about these services is available at the Ground Transportation waiting area.
