Teachanywhere.com have over 100 teaching vacancies in beautiful Abu Dhabi, UAE for an expanding group of schools for a September 2009 start!

With sun, sand and easy expatriate lifestyle, Abu Dhabi is the choice for many teachers wanting to relocate abroad but wanting a safe, secure location. The richest of all of the Emirates, and only 2 hours from Dubai, Abu Dhabi is the capital of the UAE, and location of all of the embassies. Whilst Dubai and other regions of the world have been hard hit by the global economic crisis, Abu Dhabi is home to thousands of expatriates and is simply thriving.

The schools serve a local population using an adapted UK curriculum, and are located both in Abu Dhabi City, as well as the nearby beautiful oasis city of Al Ain. All subjects are taught in English but it is helpful to have some experience of teaching children who have English as a second/additional language. Salaries are tax-free in the UAE, and the school provide yearly flights, local medical coverage, housing, 2-year contracts and an end of contract bonus.
